

Clear Cut Forestry Mulching

Preserving the Outdoors. Surpassing Expectations.

Capability Statement

Clear Cut Forestry Mulching (CCFM) provides forestry land clearing, mulching services, and superior nature trail development without excavation. Founded in 2019, CCFM analyzes the area of concern prior to performing any work to ensure that the job is done with the highest quality, and that no endangered species are present. CCFM is a Minority-Owned Small Business with one location in Morton, Mississippi.

Cage: 92XL0
